

PARENT REQUEST FORM

(To bring in special snacks or snacks for Birthday celebrations)

This form is for your use in planning a special snack for your child's classroom. Because some children in our classrooms have food allergies, etc. this will help everyone in providing a snack that **ALL** of the children in the classroom can enjoy. We also request that you provide a **healthy** snack (muffins, vegetables from the garden, fruit, home-made low-sugar cookies, etc.). Please be aware that high sugar can cause adverse effects on some children and therefore should be kept to a minimum. **There would be no need for birthday cakes, cupcakes, ice cream or favors of any kind (balloons, hats, etc).**

Our Birthday "Celebration of Life" is discussed in the Parent Handbook. If you would like another copy of the "Celebration of Life" list events, please let us know.

Please return this form to the office at least **2** days prior to bringing in your snack so that it may be approved.

Thank you for your consideration.
