

SECURITY CARD FORM

(Please Return to Office)

The school has a controlled access security system which will only permit entry into our building by parents and staff with electronic cards. The card cost and maintenance fee is **\$40.00/card**. When your child has graduated from Montessori Academy, please return your card to the office so that you will be reimbursed **\$20.00/card**. Cards must be returned **in good condition** within 30 days of your child's graduation from school to receive credit. **No credit will be refunded after this 30-day period**. Each family will need one or two cards depending upon who picks up your child. If only one parent brings and picks up a child, the family will only need one card. If you take turns bringing and picking up, you will probably want two cards. If others pick up your child (i.e. grandparents) you may need more cards. Please decide how many cards you will need and **return your payment with this form**.
