Your child will be released only to adults designated to us in writing. We will request proof of identification from the designated person.

The method of discipline used by the Montessori Staff is called “time out”. This method offers a child a few minutes to think about his or her actions before rejoining the group activities. Montessori Academy does not allow the use of corporal punishment by our staff.

All staff at Montessori Academy has my permission to give my child medication per the medication authorization form that is signed by me.

I have read the Montessori Academy Policies and Procedures and agree to abide by them during my child’s period of enrolment.
